

The PerryScope (for the week ending 12/22/19)

NOTE: this will be the final PerryScope of 2019; we'll be back in January when the House returns to session on January 7. Best wishes for a very happy holiday season and a joyous start to the New Year!

Welcome to the Pennsylvania Member of Congress Tracking Report for the week ending December 22, 2019. Following the drama of last week's impeachment vote, the House was busy trying to finish up business before the holiday recess. This week's full MoCTrack Report can be found [here](#).

Our goal, as always, is to track how our PA-10 member of Congress votes and hold him accountable. We also include a recap of social media and other mentions in the past week as well as coverage of Senators Casey and Toomey. And don't forget to check out our at-a-glance vote trackers for the [House](#) and [Senate](#). Each sheet has links that bring you to short explainers for all votes tracked. It is updated each week with the bills covered in MoCTrack, and it is sortable by topic.

TRACKING CONGRESS in the AGE of TRUMP

Nate Silver's [FiveThirtyEight](#) keeps a running tally of how often every member of the House and Senate votes with or against the president. The higher the number, the more the legislator votes to support the Trump agenda.
